Dear Students and Parents who took part in the planting of our new wild wooded area a couple of years ago,

Mr Yendall, Head Groundskeeper, has given an update on your trees!

Sadly, over the summer we lost about 30 of them due to the very hot weather but the rest (75) are doing well and growing nicely. In the Spring they will receive additional TLC and Mr Yendall will be putting more wild flower seeds around the area.

The area has had a new robust fence installed which will help to keep out the deer and homo sapiens!

Do go and see how your tree(s) is/are getting on next time you're on Uplyme.

Kind regards
