

01/05/2024

Dear Medic/Dentist/Veterinary/Health Professional,

We hope you are well.

We are reaching out to invite you to participate in our upcoming MMI (Multiple Mini Interviews) Mock Interview Evening, scheduled for Tuesday, 1st October 2024, from 16:00 - 20:00. The event will be held in person at the Queen Elizabeth II Memorial Sixth Form Centre at RGS, the same location as last year.

We held a very successful MMI event in October 2023, thanks to the generous participation of professionals like you. This year, we aim to create a similar experience for our current Year 12 students who are interested in pursuing careers in health-related fields (and who will then be in Year 13).

Your expertise and experience would be invaluable to our students, and we would be honoured to have you join us as an interviewer. No preparation is required, and we will provide all necessary templates and guidance.

If you are available to help, please let us know by emailing careers@rgshw.com, and we will send you a calendar placeholder, keeping you informed of further updates as time progresses.

If you cannot support this particular event but would like to get involved in the RGS careers programme, please do get in touch.

Thank you for considering our invitation. We greatly appreciate your support of RGS' careers provision and look forward to hearing from you soon!

Mrs Sweta Thakrar
Careers Lead
