

Royal Grammar School

Admissions Policy (Day Places)

For entry in September 2017

ADMISSIONS POLICY (DAY PLACES) 2017

The admissions policy for The Royal Grammar School follows the Co-ordinated Admission Scheme for Secondary Schools in the Area of Buckinghamshire County Council Local Authority unless stated. This will be referred to as The County Scheme. The County Scheme is available on the Buckinghamshire County Council website www.buckscc.gov.uk Parents wishing to apply to the school should also read this policy in conjunction with the Parents' Guide "Moving up to Secondary School", which is published by the County Council in May of each year.

1.0 ADMISSION NUMBERS

The Planned Admission Number for Years 7 – 11 is **182** day places and **10** boarding places.¹

For Year 12, there will be **25** additional places for boys who have fulfilled the entry requirement, in addition to students from the school's own Year 11 who have fulfilled the entry requirement.

2.0 11+ ADMISSION (YEAR 7 IN SEPTEMBER 2017)

Boys are eligible to be considered for admission to The Royal Grammar School in Year 7 if they meet the required qualifying score of 121 in the admission tests or have been deemed qualified by a Selection Review Panel or by an Independent Appeal Panel hearing appeals for the school. One test, sat in two sessions, each of approximately 50 minutes duration, is taken in the September of the year prior to proposed admission. The tests are comprised of elements of verbal, numerical and non-verbal ability. Each child's raw scores in the two tests are added together and the resulting score is converted into an age standardised score thus setting all children on an equal footing regardless of when their birthday falls in the year.

Registration for the test is automatic for children who attend Buckinghamshire Primary schools unless the parent expressly withdraws their child from testing. In all other cases, including where children attend independent schools in Buckinghamshire, an application for testing should be made to the Testing Administrator, Buckinghamshire County Council, by 30th June 2016.

In addition, all applicants must notify their home Local Authority of their preference for the school prior to the closing date of 31st October 2016. Evidence of the child's normal home address must be submitted to the Admissions team at Buckinghamshire County Council by 1st October 2016.

Applications for under-age or over-age testing, i.e. for a child who will not be in Year 6 at the time of the 11+ tests in September 2016, should be directed to the Admissions Department at Buckinghamshire County Council. Evidence will be required as to why under- or over-age testing is being requested, and a child's current Head teacher will normally be contacted.

Parents of any child who does not achieve the qualifying score may apply for a Selection Review if they believe that their child would have met the qualifying score but for particular circumstances regarding their participation in the Secondary Transfer Test process. The Selection Review will be carried out by a panel consisting of secondary and primary Heads. The panel will consider each written application received and will obtain advice from an Educational Psychologist where appropriate prior to making a decision. The Selection Review process will take place before places are allocated and children who are deemed qualified by the panel will be eligible for admission for any of the 13 Buckinghamshire grammar schools.

¹ *In the event of under-subscription for boarding places, vacant places may be converted to day places.*

After places have been allocated, parents will be entitled to make representations to an Independent Appeal Panel if their child has been refused admission because the school is full. An Independent Appeal Panel hearing will not ordinarily carry out a full review of a pupil's capacity to pass the selection test if that process took place at the Selection Review.

2.1 11+ Admission Over-subscription Criteria

Where eligible applications for admission exceed the number of places available, the following criteria will be applied in the order set out below to decide which student to admit.

Boys who qualify and who have a statement of Special Educational Needs that names the school will be admitted prior to the application of the over-subscription criteria.

1. Looked after and previously looked after boys.²
2. Boys living in the catchment area³ of the school.
3. Brothers of boys who are on the roll of the school at the time an application is made, and who are expected to be on the roll of the school at the time of the proposed admission.⁴
4. Boys who are currently in receipt of Free School Meals on the date that registration for testing closes. Evidence of entitlement to FSM will be required.
5. Sons of a member of staff where a) the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
6. Once the rules have been applied, any further places will be offered in distance order using straight line distance between the family's normal home address and the nearest pupil entrance to the school.

Where the distance criterion produces an absolute tie, each boy will be admitted.

2.2 Waiting List

If any vacancies arise between National Offer Day (1st March) and 31st October of the same year, first priority will be given to those on the waiting list managed by Buckinghamshire County Council through the County Scheme. From 1st November until the annual testing round (February), a waiting list will be maintained by the Royal Grammar School for admissions into Year 7. If places become available during that period, or for the beginning of the following academic year, admissions will be handled in accordance with the Late Transfer Procedure outlined below.

If parents decline an offer of a place, they may subsequently re-join the waiting list. The boy's name will be added onto the end of the waiting list as extant at the time of the application to re-join.

² Looked after children are children in the care of local authorities as defined by Section 22 of the Children Act 1989, and in public care at the time of application to a school. Previously looked after children were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

³ The catchment area of the school is defined in the County Scheme as illustrated on the County Council's website www.buckscc.gov.uk

⁴ "Brother" means one of two (or more) children who have one or more parent in common, or any other child (including an adopted child) who lives permanently at the same address, and for whom the parent also has parental responsibility.

3.0 LATE TRANSFER PROCEDURE

Admission to Years 8, 9 and 10 (and to Year 7 from 1st January each academic year) will be handled in accordance with the school's Late Transfer Procedure. Only in exceptional cases will any place be offered in Year 10 starting after September, or at any time in Year 11, because of the nature of GCSE courses, even when the year group is below the Planned Admission Number.

3.1 Testing Criteria

The academic eligibility of candidates seeking admission under the school's Late Transfer Procedure will be assessed through curriculum based tests in English and Mathematics for Year 7, and English, Mathematics and Science for Years 8, 9 and 10. Candidates will be required to achieve a minimum standard in **each** of the tests in order to be considered for admission.

3.2 September Admission

Boys seeking admission to Years 8, 9 and 10 at the start of the next academic year may apply to sit tests in the Annual Testing Round. This is organised by the school and will take place in February/March of the year in which admission is sought in September. The deadline for registration for the tests will be the second Monday in January of the same year. Evidence of normal home address will be required.

3.3 Immediate Admission

Boys who have moved, or plan to move, into the local area since the last Annual Testing Round may apply for immediate admission to Years 7, 8 or 9 and will be tested as soon as possible provided that they meet the Testing Criteria outlined above. Evidence of normal home address will be required.

3.4 Late Transfer Over-subscription Criteria

Where eligible applications for admission exceed the number of places available, the following criteria will be applied in the order set out below to decide which student to admit.

Boys who meet the minimum qualifying standard and who have a statement of Special Educational Needs that names the school will be admitted prior to the application of the over-subscription criteria.

1. Looked after and previously looked after boys.
2. Boys with the best aggregate score in tests taken. Where the aggregate score is an absolute tie, test results will be ranked in the following order: English, mathematics and, if applicable, science.
3. Brothers of boys who are on the roll of the school at the time an application is made, and who are expected to be on the roll of the school at the time of the proposed admission.
4. Boys who are currently in receipt of Free School Meals at the time the application for testing is made. Evidence of entitlement to FSM will be required.
5. Sons of a member of staff where a) the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

3.5 Late Transfer Waiting List

Boys who have qualified and have not been allocated a place may have their name placed on the waiting list. The waiting list will be ranked in accordance with the school's Late Transfer Over-subscription Criteria as detailed in 3.4 above. If an applicant qualifies but cannot be allocated a place because the school is full, qualification ends 12 months after the test. The applicant must then be tested again in the next Annual Testing Round.

4.0 SIXTH FORM (YEARS 12 AND 13)

4.1 Sixth Form Entry Criteria

Applications from external students should be made direct to the school using the application form for Sixth Form Admission, available on the school's website or on request to the school. Applications must be submitted by the last Friday in April of the year of the proposed admission. Evidence of normal home address will be required.

Minimum entry requirements (which are the same for both internal and external applicants) are GCSE grades as follows:

- 8 taught GCSEs at Grade A*-C/5-9 (taken in one sitting) - 7 at Grade B/6 or above **including English and Mathematics** at Grade 6 and 1 at Grade C or above
- In addition, candidates must meet the entry requirement for each course for which they have applied. Full details are provided in the Information Booklet for New Sixth Formers, which is revised annually, and available on the school's website or on request to the school.

4.2 Sixth Form Over-subscription Criteria

Where the number of eligible external applications exceeds the number of places available, the following criteria will be applied in the order set out below to decide which students to admit.

1. Looked after and previously looked after boys.
2. Brothers of boys in Years 7 to 12 who are on the roll of the school and are expected to be on the roll of the school at the time of the proposed admission.
3. Boys who are currently in receipt of Free School Meals as at the application closing date. Evidence of entitlement to FSM will be required.
4. Sons of a member of staff where a) the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
5. The boy with the highest GCSE grade profile from their best 8 full GCSEs.

If the GCSE points criterion does not produce a clear outcome (i.e. two students achieve precisely the same score), the place will be determined by random allocation supervised by a person independent of the school.
