

9 September 2019

Dear Parents

Year 7 Parents' Academic Evening
Tuesday 8 October 2019, 7.00-8.00pm

We would like to invite you to attend the Year 7 Parents' Academic Evening on Tuesday 8 October in the Queen's Hall. The evening is an opportunity for you to hear about the RGS "Ethos of Learning". We will share with you the key skills your son will be developing during his time at RGS so that you can continue to support him at home.

There has been a great deal of research into the key skills employers want from their workforce. We have broken these skills down into four main categories: Responsibility, Creativity, Engagement and Teamwork. These represent the cornerstone of our "Ethos of Learning". In an ever more demanding world, our young men are put under increasing pressure and we hope to develop their skills so that they can excel in the future.

The evening is for parents only and will take the form of an interactive presentation from 7.00-8.00pm. During the day your son will be taking part in a range of activities to explore these key skills in detail.

As we have a limited number of spaces available, I would be grateful if you could register your attendance and reserve the number of places required by Monday 23 September. In order to do this please log on to the Parents Meeting System by following this link: <https://parentseveningsystem.co.uk>.

I look forward to seeing you.

Yours sincerely

A R Wallace
Deputy Headmaster
