Dear Parents

School Shoes

We would like to remind you of the requirements around foot wear (please see below & overleaf) in case your son tries to persuade you that trainers or shoes that look like trainers are acceptable at school; they are not.

Many thanks for your support with this and other uniform matters.

Guidance Notes on School Shoes

 <p style="text-align: right;">✓</p>	<p><i>Velcro shoes are acceptable, but they should be in a shoe, rather than a trainer style.</i></p> <p><i>The soles should be generally smooth sided, rather than with detailed patterning and indentations which is typically on trainers. The material should be plain with minimal panels, rather than the stitching and detail which is on a trainer style.</i></p>	 <p style="text-align: right;">X</p>

	<p><i>The shoe material should be smooth or with minimal patterns such as Brogue style shoes.</i></p> <p><i>Detailed patterning and changes in material are more of a trainer style and are not allowed.</i></p> <p><i>Fabric, Canvas and aerated fabric are not allowed and shoes with a heel loop are also not allowed.</i></p>	
	<p><i>Lace up shoes should not look like a trainer style shoe.</i></p> <p><i>Very rounded toes and trainer style soles suggest a trainer, rather than a shoe.</i></p> <p><i>Thicker, round lace styles also suggest a trainer style which is not allowed.</i></p>	
	<p><i>Slip on leather shoe with subtle stitching.</i></p>	
	<p><i>Plimsolls and VANs are also not allowed.</i></p>
