Applications for the Sutton Trust US Programme for Sixth Formers NOW OPEN. Deadline January 20th

The Sutton Trust US Programme is designed to support high achieving Year 12 students from state schools across the UK to explore US study and access leading universities. It includes two residential in the UK, before all students spend a week in the US staying on campus at a leading US university and visiting a variety of other American universities. An optional second year of the programme supports students to apply to US universities alongside their UCAS options.

In the past six years, we have helped more than 300 British students get places and funding at top US universities. The programme is free for students – including travel, food, accommodation, admissions test preparation and more, all costs are covered by The Sutton Trust and its donors.

To be eligible to apply, students must:

- Currently be in Year 12 (England and Wales), S5 (Scotland), or Year 13 in Northern Ireland.
- Have always attended a state school or college (non-fee paying) in the UK
- Not hold US citizenship
- Be from a low-income family (generally, this will mean a household earning £45,000 or less)
- Be interested in US culture and higher education
