

10 June 2020

Dear Parents

**An Important Safety Message from the Sports Department – Student Mouthguards**

The School policy is to endorse various sporting governing bodies in their guidelines surrounding the use of dental protection. All pupils will require a mouthguard to take part in Rugby or Hockey at school throughout their school life. Titan Mouthguards will be catering for all students wishing to purchase a custom, dental-fit mouthguard and will be visiting the school on **Friday 11 September from 9.30am**.

If you wish to take advantage of this service, please click on the following link and complete the online order in advance of September - <https://rgs-high-wycombe-mouthguards.paperform.co/>. Appointment times will be displayed on the Sports Department Noticeboard.

All TITAN mouthguards are provided with school special or standard designs, from a cost of £39.99, with all replacement/spare guards at a reduced cost of £35. Titan's prices are vastly reduced from dental practices and similar services and include:

- Impression supervised by a member of the TITAN team
- Custom guards manufactured to achieve the highest level of protection available
- Student's name embedded on under-side
- Free boil & bite mouthguard provided for use in sporting fixtures during turnaround time of custom guard
- Free delivery

If fittings in September have to be postponed or cancelled, bookings will simply roll over to the next set of fittings at RGS or you will have the option to have fittings catered for remotely through one of TITAN's E-Fitting services.

Titan also provide mouthguard options for those with a fixed brace and your preferred fitting method can be selected on the online order form. New fitting methods have been incorporated to allow you the option of a fitting at a time that suits you, offer a further discounted price from previous years and cater for mouthguard fittings remotely.

Any questions on school mouthguards or any of the details above should be sent directly to TITAN (not to RGS) via their customer service email address: [info@titanmouthguards.co.uk](mailto:info@titanmouthguards.co.uk)

TITAN suggest that orders should be placed in advance of the fittings at school to avoid any delays on the day of fitting or on getting your guards back to you. **There is a £5 price increase on all orders placed on or after the day of your child's fitting.**

If your son already has a mouthguard, please check that it still fits. Your child's growth can prejudice the fitting and effectiveness of a mouthguard.

Yours sincerely

**James Honeyben**
