

27/03/2025

Dear Students, Parents and Carers

RGS Heritage Week 22nd April – 25th April 2025

During this year's RGS Heritage Week, there will be assemblies, talks and workshops running during the week to explore what heritage means. By participating in such a week, students can develop a greater appreciation of their own heritage and the heritage of others. As part of the week's theme, we are delighted to inform you that Year 9 will have a focus day on developing greater empathy for others on Thursday 24th April 2025.

Year 9 will work with RGS staff and the Paralympic Heritage Trust and have workshops on story writing, language, sports, design and engineering of wheelchairs and prosthetics, and a talk by a paralympian. The focus throughout the day will be on developing greater empathy of disabilities. So that students can take part in the games activities with ease, **we would like Year 9 students to come to school in RGS kit or RGS tracksuit on this day to make the sessions run more smoothly.**

They will need to use their Chromebooks and writing equipment in some of the workshops but can attend all the workshops in their RGS PE kit.

Yours sincerely,

Shradha Tan
