

The 500 Club is the RGS Parents' Association monthly prize draw.

#### How the draw works:

50% of the total prize pot every month is divided among three lucky prize-winners and the other 50% is donated to the school to support various projects. In the past this has included the refurbishment of a Physics Lab, an English classroom and the Drama Studio. This year the funds will go towards the Technology Centre refurbishment.

#### How to join:

Join now for **just £1 a month** per number – you can buy as many numbers as you like (12 months' minimum subscription). It is quick and easy to join, and as the membership grows, the prize money increases.

You can now sign up on ParentPay, completing the notes field with your name, email contact and postal address (so we can sending you your winnings!) or you can download a form at <https://www.rgshw.com/site/data/files/documents/pa/40BA2322F0AAD924EAD913DDF502E772.pdf> and drop it in to resources.

**Help raise funds for the school and win great cash prizes**
