Dear RGS Parents/Guardians,

I hope you are well. As part of our ongoing commitment to providing the best possible education and support for our students, we are conducting a comprehensive review of the RGS's Careers Provision. We believe that it is vital to prepare our students for their future careers and ensure they have the necessary skills and guidance to make informed decisions.

Your input and feedback as parents/guardians play a crucial role in shaping and improving our Careers programme. We value your perspective and insights, and we would greatly appreciate it if you could spare a few minutes to share your thoughts and experiences with us.

To facilitate this feedback process, we have created an online survey that covers various aspects of our Careers provision. The survey is anonymous, and your responses will help us recalibrate the programme if required. Please take a moment to click on the following link to access the survey:

[RGS Careers Provision - Parental Feedback Request](#)

The survey consists of a series of questions designed to gauge your overall satisfaction with our Careers programme, as well as specific areas such as career guidance, work experience opportunities, guest speakers, and support for higher education pathways. We encourage you to provide detailed responses and suggestions wherever possible, as this will help us gain a deeper understanding of your expectations and areas where we can make improvements.

Your participation in this survey is crucial to our ongoing efforts to enhance the Careers provision at RGS. By working together, we can ensure that our students receive the guidance and support they need to thrive in their future endeavours.

Should you have any questions or require further assistance, please do not hesitate to contact us. We are more than happy to provide any necessary clarification or support.

Thank you in advance for your valuable feedback and for partnering with us in preparing our students for a successful future.

Yours sincerely,

Mrs Thakrar
