Dear Year 12 Students (and Parents for information)

I have uploaded a selection of documents here to help you prepare your application to university. You will also find one on apprenticeships.

[https://rgshw.sharepoint.com/sites/RGS-Sixth\\_Form\\_Students/Shared%20Documents/Forms/AllItems.aspx](https://rgshw.sharepoint.com/sites/RGS-Sixth_Form_Students/Shared%20Documents/Forms/AllItems.aspx)

If you know that you will not be applying to university for 2021, please let me ([hrm@rgshw.com](mailto:hrm@rgshw.com)) and your form tutor know, ideally with what else you are intending to do even if it's not a fully formed idea at present.

For early entrants, please make sure you are in good contact with your form tutor over the first draft of your personal statement.

Good luck with your applications and best wishes for the summer holidays.
