Dear Parents/Carers

STUDENT MOUTHGUARDS - AN IMPORTANT SAFETY MESSAGE FROM THE SPORTS DEPARTMENT

As you prepare for the upcoming Rugby and Hockey seasons, please ensure that any existing mouthguards still fit your child correctly, as their natural growth may impact the fit and protection.

School policy is to endorse various sporting governing bodies in their guidelines surrounding the use of dental protection. **All pupils will require a mouthguard to take part in Rugby or Hockey at school throughout their school life.** We are pleased to partner with OPRO, the world's largest manufacturer of custom-fit mouthguards, to provide a solution that guarantees both comfort and protection. OPRO's revolutionary Instant Custom-Fit Mouthguard offers the same high-level protection as dentist-fitted mouthguards, with the convenience of fitting it at home.

Benefits of the Instant Custom-Fit mouthguard

Instant Fit: OPRO's innovative fitting system allows a dentist-level impression of their teeth while moulding the mouthguard at home.

Custom Protection: Choose from three protection levels to suit your sport, antimicrobial protection is now built into the mouthguard as standard for extra hygiene.

Professional Quality: Made in OPRO's state-of-the-art facility in Hertfordshire, this mouthguard offers the highest level of protection, as worn by professionals.

Affordable Pricing: Prices from £29.99, plus use the discount code **RGSHighWycombe10** to receive **10%** off the entire OPRO range.
