Message to RGS students

It is vital all RGS students continue to be fantastic ambassadors of the School and promote the values of rugby – Teamwork, Respect, Enjoyment, Discipline, Sportsmanship. This week is the showpiece of schools' rugby in England and an opportunity to celebrate the whole of rugby, to show what is good about it and to promote why we believe it is the ultimate team sport. What takes place on the touchline and in the stands on our Finals Days is as important as what is happening on the pitch. As a school, it is important we demonstrate the highest standards of behaviour at all times, being respectful of the opposition players/supporters and officials, as well as the kickers from both teams at the appropriate time.

All this will assist in creating the atmosphere that will make the finals the positive and unforgettable memory that it should be, regardless of the results, for everyone on and off the pitch, as well as watching the spectacle from the stands and on the live streams.

For those who can't attend the game but wish to watch on the live stream, please follow the link below to view the game: <https://www.youtube.com/watch?v=MMHHyG1KYNo>

I look forward to seeing you all at The StoneX and cheering RGS on.

Kind regards

Mr J Honeyben
