Dear Parents

School Exams

Thank you very much for all the support you are giving your sons (and therefore us!) for these important end of year exams.

With the start of exams occurring this week (Languages), please could we ask you to help further by ensuring that your son:

1. Comes to school with the correct stationery for the exams that day in a **clear plastic pencil case or plastic bag**.
2. In the case of warm summer weather, has a **bottle of water which must be clear plastic with the label taken off**. We respect that some boys will be fasting during the exam period and that this does therefore not apply to them.
3. Leaves his iPad at home for the main school exam week (3-7 June).
4. If he has one, leaves his Smart watch at home for the main school exam week (3-7 June).

Kind regards,

Hilary Munday
Assistant Head
