The Royal Grammar School

2026/27

Welcome

This guide is designed to help parents and students understand bus travel options to The Royal Grammar School for the 2026/27 academic year.

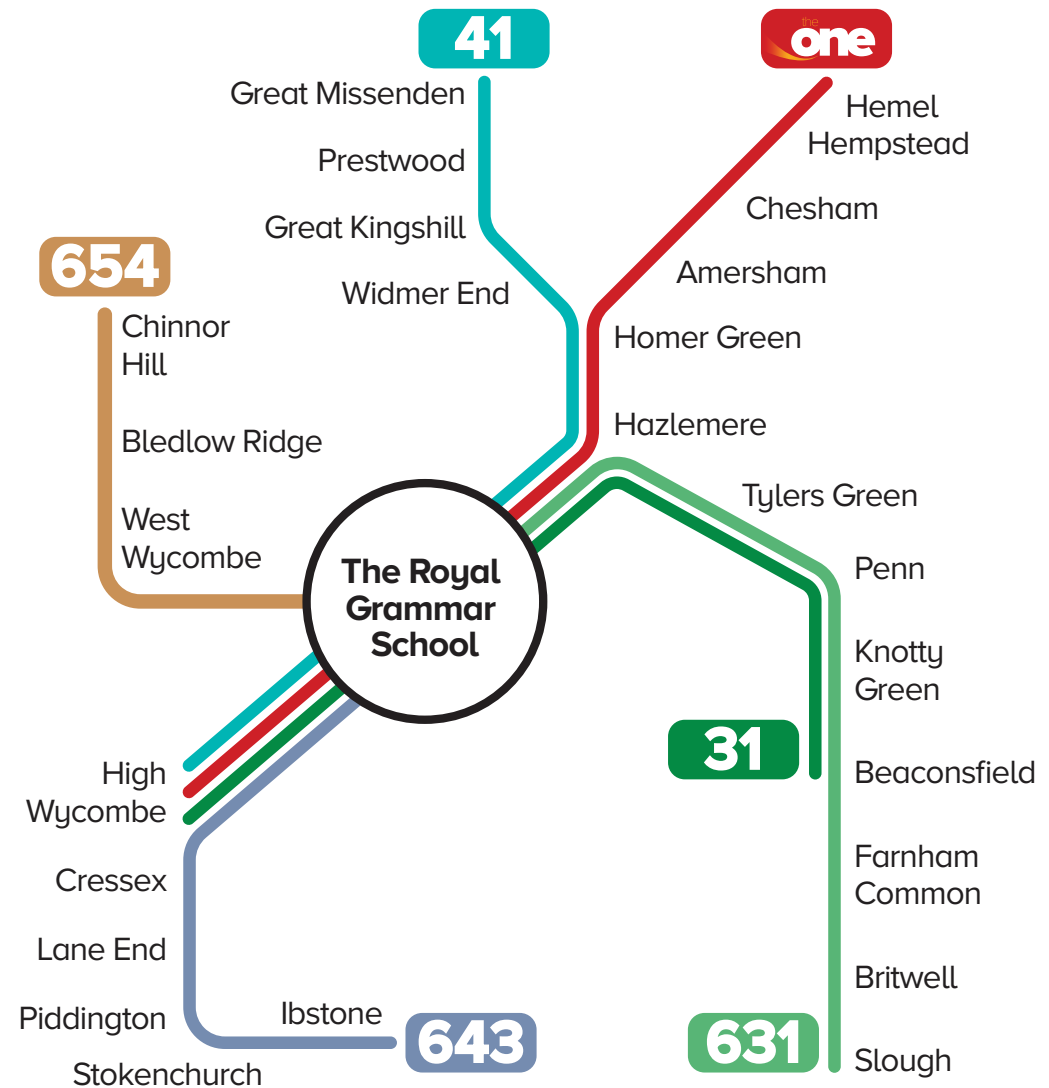

Carousel Buses operate a comprehensive network of local bus and dedicated college services to The Royal Grammar School. There is a diagram of routes on the next page, or see page 10 for a list of destinations and which services go there.

We are pleased to be introducing a new dedicated school route for September 2026. Route **631** will offer new direct connections to RGS for students from Slough, Britwell and Farnham Common, with improved connections for students in Beaconsfield and Knotty Green.

Benefits

Flexible travel: Passes are valid on our network of local bus services at any time on all days of the week – perfect for after school activities, weekend sports or days out with friends.

Real-time tracking: Track your bus and receive live updates using our mobile app.

Dedicated school services

We operate dedicated school routes **631**, **643** and **654** for students at The Royal Grammar School.

Key points for parents

Travel on a dedicated school service requires a specific ticket for that route which must be purchased for the whole year

You can choose to do this as a one-off payment or can pay with a deposit and six instalments. Some services also offer students the option to pay on the day.

Routes **643** and **654** are guaranteed to operate for the 2026/27 academic year.

Route **631** requires a minimum of 65 tickets to be sold to guarantee the service will operate. Should that threshold not be met, we'll notify you in good time before the commencement of the Autumn 2026 term and any payments made will be refunded in full.

Tickets for services **631**, **643** and **654** are valid on our local bus services at any time on all days of the week.
