

July 2019

Dear Parents,

As a result of increasing financial pressure, we're asking all boys to look for any copies of English books they may have at home. The English Department only has a small budget, and the hundreds of pounds we spend replacing books each year is no longer sustainable. Consequently, we are hoping you can help by encouraging your son to look for any English books he may have at home. As a department, we issue a large number of books; missing, damaged and unreturned books are a huge annual cost, so any stray copies will be very gratefully received and will help us keep expenses down.

I have attached a list of the most recent unreturned books from this year. If your son's name appears on any of the list, please do encourage and help him to look for the book at home. If the book has been misplaced it does need replacing either by a new copy being bought or the amount payable given to the English Department. The more we can maintain the books we have, the more money we have to provide an up-to-date and stimulating range of text for the boys. The list of books we are particularly interested in retrieving are listed below. However, if there is a school text at home of a different title, please do return that also!

May I add that your son isn't in trouble, but your support in this matter would be hugely appreciated.

Yours Sincerely,

Mrs Sian Corbishley
Head of English
