

12th March 2020

Dear Parents

WATER FOUNTAINS

Please can you be aware that as of Tuesday 10th March 2020 we have instructed the boys not to use the water fountains in school for drinking or filling up water bottles, to safeguard against any possibility of transmission of COVID-19.

Please can you ensure your son brings a water bottle to school with enough water for the school day including Games/PE and sports fixtures.

Please can we remind you that single use sports bottles are not allowed in the Sports Centre, for sporting activities or for fixtures.

Yours faithfully,

Mrs G Barry
Matron
