Dear Year 13 Students and Parents/Carers,

Degree and Higher Apprenticeships Mock Interview Session

I hope you are all well.

We will be holding a Degree and Higher Apprenticeships Mock Interview Session for Year 13 students. This event will simulate real-life assessment centre scenarios, providing students with a valuable opportunity to practise apprenticeships interviews to help them succeed in their upcoming selection processes.

The mock interview event will be held on **Wednesday 11th December from 13:00 to 15:30** in the Upper Library and will be supported by an expert external guest speaker.

The first step is for students to sign up for the event via this [Y13 Confirmation of Attendance](#).

Students should ensure they eat their lunch at break 1 and bring their laptop and water bottle to the session, along with a notepad/pen.

Please ensure you complete the form by **Friday 8th November** so that we can plan accordingly.

We strongly encourage all students considering degree or higher apprenticeships to participate in this opportunity.

Students planning on following the traditional UCAS route do not need to participate.

Should you have any questions, please do not hesitate to contact me.

I look forward to helping our students in this important step toward their future careers.

Kind regards,

Sweta Thakrar
