Volunteering opportunity for Sixth Form student

Empower to Cook and Khepera CIC, two local social enterprises, will be opening our Community Cookery and Wellbeing Kitchen in High Wycombe in January 2020. We are currently in the process of setting up a small community steering group (approx. 6 people) to help us guide the direction of the kitchen as it grows. This group would help us decide what classes we could run, who in the community we can run them for, and help identify revenue streams to help invest back in the kitchen. For further information, please see Ms Sowah.

Open Day for Prospective Medical Students

Thursday 2nd July 2020

Himsworth Hall, Medical education centre, on Level 6 of St Mark's Hospital (£30)

St Mark's Academic Institute is the centre of education and research at St Mark's Hospital. The day is an opportunity to ask and discover everything it takes to become a doctor. Experts from different sectors of the profession will be joining a lively open forum about their medical careers, specialist areas of expertise as well as trainee and junior doctors talking about their university medical experiences. The day will culminate in being able to watch some visual live surgery!
