

30 April 2020

Dear Parents,

Behaviour Points

During this unprecedented time we have made the decision not to issue Behaviour Points as of Monday 4 May.

I know that some students receiving Behaviour Points during this period of lockdown have found it very demotivating when the cause could have been for a myriad of genuine reasons. Numerous times in the last month technology has foiled my meetings and work!

Moving forward, we will continue to chase work that is not completed but it will be done via email or phone calls and without the issuing of Behaviour Points.

We will of course continue to celebrate successes with the Achievement Points. We hope this decision eases the pressure on pupils, staff and parents.

Kind regards

Alex Wallace
Deputy Headmaster
