Open Day for Prospective Medical Students Thursday 2nd July 2020

Himsworth Hall, Medical Education Centre, on Level 6 of St Mark's Hospital (£30)

St Mark's Academic Institute is the centre of education and research at St Mark's Hospital. The day is an opportunity to ask and discover everything it takes to become a doctor. Experts from different sectors of the profession will be joining a lively open forum about their medical careers, specialist areas of expertise as well as trainee and junior doctors talking about their university medical experiences. The day will culminate in being able to watch some visual live surgery!

CAREERS RESOURCES

National Careers Service

NCS: Call 0800 100 900 to speak to an adviser. Lines are open from 8am to 10pm, 7 days a week.

All students should contact the National Careers Service to speak to an independent careers advisor. They will discuss higher education and career pathways and send a written action plan. For further information, see <https://nationalcareersservice.direct.gov.uk/>

e-Clips

Find out more about pathways, careers and LMI (labour market information) with this brilliant resource:

<https://www.eclips-online.co.uk/> Password for RGS: kiasca97

Kudos

All Y10-13 have a Kudos account. Kudos can give career ideas based on a student's likes and dislikes. It also has a wealth of information on pathways and LMI. School licence code: readcode80

UNIVERSITIES

APPRENTICESHIPS

Heathrow Apprentices

Heathrow's Engineering Apprentice programme has just opened for applications for a start in August 2020. The Engineering Apprenticeship scheme at Heathrow has been running for over 40 years and more than half the engineers at Heathrow started their career through this apprenticeship scheme. For further details, please see attached poster.
