Dear Parents and Boys

Unemptied Lockers

With the mass exodus on Friday, a number of boys did not empty their lockers before leaving school.

If you have any **valuable** items in your locker, which you would like over the school closure, please contact me immediately and by 0900 Tuesday at the very latest on resources@rgshw.com and I will schedule a mutually convenient time for you to collect your locker contents this week.

Many thanks.

Kind regards
