Dear Parents/Guardians

Academic Evening - Year 7 Presentation Notes

It was so wonderful to see so many of you at the Academic Evening for Y7 just before half-term. As promised please find below the resources from the evening. As parents at RGS you all have access to the #NeuroNinja Learning Hub and [can sign up here](#).

On Tuesday 17 October Andrew and Darren spent the day with our Year 7 students enthusing them about their amazing brain. Please find [at the link the presentation](#) they shared and [also the booklet we used](#). The focus was thinking about well-being, how we calm ourselves when we are nervous and how to plan and get organised.

If you have any questions please just get in touch - andrewwright@aypuk.com

Yours sincerely,

Sabrina Lawson
