

Seasoned split logs for sale

The RGSHW Log Project continues and as part of the ecology programme for the School and the policy of the Estates Team, for every tree cut down a new tree will be planted. To help with the cost of this work and to try and raise some much-needed funds for equipment, any timber that is suitable for burning will be cut and split by the Grounds Dept. team and seasoned ready for sale. All the logs have come from trees that have been felled for health and safety and maintenance reasons.

If you would like some seasoned split logs, please contact Howard Yendall, Head Groundsman hmy@rgshw.com to reserve them.

Prices are as follows: 10kg bags £10

20kg bags £20

Half size bulk bags (will fit in an average size car boot) £45

Please make payment via Parent Pay (RGS Logs).

All money raised will go into the Grounds Dept. budget.

Thank you
