

9th October 2023

Dear Parents,

**THE BAND OF THE HOUSEHOLD CAVALRY
EVENING CONCERT – 5.30 – 7.00PM
13TH OCTOBER 2023**

On Friday 13th October, the Band of the Household Cavalry will be visiting the RGS to run a music workshop for our brass and concert band instrumentalists, culminating in an evening concert to which parents and students are warmly invited.

The Band of the Household Cavalry is a British Army band which ceremonially serves the Household Cavalry Mounted Regiment; the HCMR Band is the largest symphonic wind band in the British Army. Based in Windsor, its main tasks include Changing of the Guard at Windsor Castle and performing for the King's Birthday Parade. Opportunities for our students to perform alongside such esteemed musicians do not arise often and we are confident that the boys will gain much from the experience.

Following the music workshop on Friday afternoon, RGS students will be performing with the HCMR Band in an evening performance in the Queen's Hall 5.30 – 7.00pm. In the first half of the concert, students will play alongside the Band of the Household Cavalry and will step aside allowing the Cavalry band to feature in the second half.

We are delighted to invite all parents to attend this concert and trust you will enjoy this prestigious event. Please note there is no reserved seating and we advise that you arrive in good time for the 5.30pm start.

Yours faithfully,

Mrs Natasha Jashari
Director of Music
