

2/05/24

Dear Parents and Guardians,

**RE: RGS Careers Education Provision - Feedback Request 2023-24**

We hope this message finds you well. As we approach end-of-year exam season, we would like to take a moment to reflect on our school's achievements and set our sights on the future. As you know, RGS's Careers Provision has recently been awarded the status of **National Centre of Excellence & Leading Practice in Careers**, which is a testament to our commitment to providing a high-quality all-round education to your children.

As we plan for the upcoming school year, we would appreciate *your* valuable feedback on the current careers provision. Your insights will help us understand what we are doing well and where we can improve to better support your child's future.

No doubt your child has mentioned some of the various careers-related activities they have participated in throughout the year. We would be grateful if you could take a few minutes to complete [this](#) brief survey. Your responses are confidential and we will use the information to enhance our future careers programme.

If you are interested in getting involved in delivering next year's careers programme through talks, workshops, mock interviews, assemblies, article contributions, or any other means, please do get in touch with us at [careers@rgshw.com](mailto:careers@rgshw.com). It is through the collaboration of people like you that we are able to provide such an enriching provision for our students.

Thank you for your time and support. Your feedback is invaluable to us as we work to ensure that our students are well-prepared for their future careers.

If you have any questions or would like to discuss your feedback in more detail, please feel free to contact [careers@rgshw.com](mailto:careers@rgshw.com).

Best regards

Yours sincerely,

Mrs Thakrar

Ms Morley-Smith
