

5th March 2026

Dear Parents / Carers,

### **Years 7 - 13 2026 Bucks Schools Golf Championships**

The 2026 BSGA County Schools Golf Championships are during the Easter break on THURSDAY 9th APRIL 2025 @ BUCKINGHAM GOLF CLUB, MK18 4AE – start time 10am. Please see the attached flyer for more information.

All students are welcome to enter, though they must already belong to a golf club, have a handicap certificate and CDH Number.

Please note that although the school will cover the entry fee for the tournament, the school will not be supervising participation on the day and parents or carers will need to be present, provide and cover the cost of transport / refreshments / equipment and clothing etc.

To find out more about the event, interested students are asked to attend a meeting in the gym at the start of break this Monday 9th March.

Parents are asked not to fill out the entry form as this will be done by the school. However, if you wish your child to participate, I will need the following information to be emailed to me (address below):

Full name  
D of B  
Golf Club

If you would like your child to be entered into the competition, please send me the above information by close Friday 13th March. This is the absolute deadline for entries.
