Dear Parents

Cricket: Years 9 & 11

In 2024, for the first time, Bucks Cricket are running hubs for the best state school players who are not part of the county player pathway. The sessions are FREE to players, with 50% funded by MCCF and 50% by Bucks Cricket. There is a trial session in December, with 16 players selected for each of the groups (Boys U14 and Boys U16). Each group will receive 10 x 1.5 hr coaching sessions with Bucks County coaches in the New Year. There is also an MCC Cup Competition for the U16s during the season, and Bucks are looking to create further fixtures for the squads during the summer too.
