

21/09/2020

Dear Parents

Year 7 Team Building Day & Anti-Bullying Workshop
Friday 25 September 2020

We will be running an activity day for Year 7 on Friday 25 September. This will take place on the school site from 9.15am – 1.45pm. The day has been designed to help the year group develop their leadership and problem-solving skills whilst providing them with the opportunity to work with boys they may not yet have met.

Boys will be free to leave school at 3.40pm as usual, in plenty of time to meet their normal transport arrangements. They will also be able to eat in the school canteen at lunch time if they wish.

Your son should arrive for school at the usual time dressed in **full school games kit** (rugby shirt, shorts and RGS socks) and **trainers** for the activities. As per usual, under the current COVID arrangements for a timetabled Friday, he will not need to wear or bring his uniform into school. In the case of good weather, please ensure your son has a cap and sunscreen. Please also ensure he has a waterproof jacket and tracksuit trousers in case of rain, as boys will be outside from 9.15am - 11.40am. In addition, he must come equipped with a **named** water bottle.

Your son will take part in an **anti-bullying workshop** from 12.25pm – 1.45pm with his Form Tutor. This aims to highlight the RGS zero tolerance policy towards bullying.

He will attend Games in the afternoon as usual.

Yours faithfully

B E S Rose
Head of Year 7
