Dear Year 13 Students (and Parents for information),

Year 13 Leavers' Kit 2026

We are pleased to inform you that it is now possible for you to order items from the 2026 Leavers' Kit. Please read the following information about colours, sizing and the option to add initials to garments.

Leavers' Kit orders

Having consulted the year group, we have settled on a number of kit options that will be available for purchase as these items proved to be the most popular options available through our suppliers. As some items can take up to 8 weeks to manufacture, please can you make your order by **Monday 30th March. Unfortunately, we will not be able to process any orders received after the deadline.**

All pupils wishing to buy any number of items of Leavers' kit should fill in their order details online via **Parent Pay**, including **size** and in some cases **colour** choice or **optional initials**, which should be entered in the **'Notes' box** on parent pay.

Please make sure you pay the correct amount and enter your personalisation choices on Parent Pay.

The online payment system is now open. Only a single order will be put through for the kit to our supplier and therefore it is vital that **all payments are put through to Parent Pay by Monday 30th March**. If payments have not been submitted by this date, there will be no further opportunity to purchase kit.

Please note: Kit initials are an optional choice and will cost an additional £1.50 per garment, (price is per garment NOT per initial). The limit to the number of initials is 3 letters. If initials are not paid for, the order will go through for the garment without personalisation.

Yours faithfully,
The Senior Prefect Team
