

The image shows the front facade of the Royal Grammar School High Wycombe. The building is a large, classical-style structure with a central clock tower. The entire facade is covered in a vibrant, multi-colored geometric pattern of triangles and polygons in shades of blue, yellow, orange, red, and purple. The clock tower is white with a gold clock face and a gold dome. The building is set against a clear blue sky with some light clouds. There are trees on either side of the building, and a paved area with some parked cars in front.
