

4 December 2023

Parents of Year 7 – 11 Students

Feedback requested from Buckinghamshire Immunisation Team

We attended your school on 22nd November 2023 to deliver the Flu Vaccine to Y7-11 pupils.

We would like to gain feedback from students regarding the whole process of an immunisation session, from information prior to the session and consent to the receiving of the vaccination and aftercare.

The feedback we receive from students is completely anonymous, and is used to help us improve the delivery of our service to all young people across Bucks. With this in mind, we ask students to complete the survey at <https://forms.office.com/e/xegAE4JSuL> and have their voice heard.

Thank you.

Buckinghamshire Immunisation Team
