

RGSPA Easyfundraising

Help us raise **FREE** funds for our boys every time you shop online with [easyfundraising](#).

How does it work?

You shop online and RGS gets money. Participating shops donate an average of 1.5% of each sale directly to RGS.

What is the money used for?

Every year the RGS Parents Association raises money for a variety of projects. Previous projects have included help towards refurbishing the science block, upgrading IT equipment and the creation of an outdoor dining facility. All monies raised go directly to the School.

How do I get started?

Just click on the image below or this link [easyfundraising](#), then follow the simple instructions. This link is already set-up for RGS. You'll be raising free funds within minutes!

Feel free to share the links with friends and family too!

Please help RGS by turning your everyday shopping into **FREE** donations with [easyfundraising](#)

Just a small selection of the shops waiting to donate to Royal Grammar School
