

14/3/24

Dear Parents,

PE & Games during Ramadan

We kindly request that boys observing Ramadan bring their PE kit to school and participate in as much of their PE & Games lesson as possible.

This could also involve taking up a different role within the lesson such as coaching or officiating.

Any student due to be swimming does not need to enter the pool, but should still bring their PE kit so they can support the lesson or join another class on at the same time.

All staff are aware and will support students by providing breaks throughout the lesson and ensure students do not become fatigued.

Kind regards,

Luke Huelin
Head of Physical Education
Royal Grammar School High Wycombe
