Dear Parents,

Change in Ties and Stationery Shop

Please be reminded that Year 7 and Year 9 will need to order new ties before the end of the Summer Term ready for starting Year 8 and Year 10 in September. Ties can be ordered by [using this link](#) and collected from Resources.

Whilst writing I would like to remind you that if your son requires any small items of stationery such as a rubber/pencil/ruler, these can be bought (cash only) from Resources. You are requested to buy any larger items such as goggles/calculators by ordering online using [this link](#). Your son can then collect them from Resources.

We have a number of new RGS items this year which can be purchased using the same link and collected from Resources. RGS House Water bottles (now in their 4th year) are available as we continue to try and reduce single-use plastic in school.

You can order uniform using [this link from Hawkinsport](#), our uniform supplier, and arrange for it to be delivered to school which will save you driving over to Bourne End! When uniform is received from Hawkinsport each Tuesday, boys are asked to collect their items (via email) from Resources. Please ask your son to keep an eye out if you are expecting a delivery.

Please get in touch if you have any questions – Mrs Baker and I will be happy to help.

Kind regards

Tanya Warner
Resources Centre Manager
