

September 2019

Dear Parents

**Year 7 Team Building Day
Wednesday 11 September 2019**

We will be running an activity day for Year 7 on Wednesday 11 September. This will take place on the school site from 9.15am – 3.40pm. The day has been designed to help the year group develop their leadership and problem-solving skills whilst providing them with the opportunity to work with boys they may not yet have met.

Boys will be free to leave school at 3.40pm as usual, in plenty of time to meet their normal transport arrangements. They will also be able to eat in the school canteen at lunch time if they wish.

Your son should arrive for school at the usual time dressed in full school uniform. He should bring his **full school rugby kit** (rugby shirt, shorts and RGS socks) and trainers for the activities. In the case of good weather, please ensure your son has a cap and sunscreen. Please also ensure he has a waterproof jacket and tracksuit trousers in case of rain, as boys will be outside between 9.15am and 1.30pm. They should also come equipped with a water bottle.

Normal lessons will resume on Thursday.

Yours faithfully

B E S Rose
Head of Year 7
