

September 2018

Dear Parent,

Re Thursday Afternoon Activity: Cookery

Your son has chosen Cookery as his TAA option this term. During these lessons he will not only be learning how to make quick and nutritious dishes, he will also be shopping for the ingredients. Please be aware that on at least two occasions, your son will be walking down into Wycombe town centre and back on a shopping trip; our expectations are that his behaviour on these excursions will be impeccable. I will accompany the boys on these trips.

Your son should ensure that he brings a sealable tupperware food container with him to take food home each Thursday. He will not need an apron as this will be provided.

I appreciate that some of our students will be vegetarian, have allergies, or may choose not to eat certain types of food due to religious or cultural reasons. Your son will be asked to state any such requirements at the start of the term and I would therefore ask that you confirm this in writing by returning the tear-off slip, at the bottom of this letter, to me as soon as possible.

Your son will not be asked to bring any food into school as it will be provided for him when needed. To cover the cost of the food which your son can consume after making, or may bring home with him, we would ask that you provide a payment of **£16.00**. **Parent-Pay is our preferred method of payment (Account: Cookery TAA Y10/11)**. If you are unable to pay online, please contact the Finance Office promptly to pay by an alternative method.

We endeavour to purchase food that is fresh, healthy and responsibly sourced, while at the same time being good value for money, keeping parental contributions to a minimum. It is our intention that all our students enjoy the same opportunities, however, we understand that for some families this extra expense may present some difficulty. In the event that this is the case, please feel free to contact me.

Please return the tear-off slip (if dietary needs are applicable) and kindly arrange payment of £16.00 by Friday 21 September 2018. I hope that your son will enjoy these lessons as much as previous students. Bon appétit!

Kind regards,
Cathy Crownshaw,
Cookery (DT) Department
