Dear Parents & Carers,

Re: Carousel Buses

An update from **Carousel Buses** regarding their new 631 school service via **Tylers Green, Knotty Green, Beaconsfield, Farnham Common, Farnham Royal, Britwell and Slough:**

Thanks to the strong interest received so far, we are pleased to share that we are close to confirming the service for the upcoming academic year.

*To help secure the launch of the service and avoid disappointment, we encourage parents who are interested to **reserve a seat by 12th June**. At that point, we will be able to confirm whether the service will go ahead.*

To reserve a place, a £100 deposit is required, with the remaining balance payable in six instalments starting in September.

More information can be found [here](#).
