Dear Parent/Guardian,

Students are now able to borrow eBooks from our exciting new eBook library, found here: <https://rgshw.eplatform.co/> or via the Library catalogue found on the Sharepoint homepage.

The ebook catalogue is full of bestselling, popular fiction titles and will offer readers a 24/7 access to a digital library in addition to the print library in school. Students can have 2 books out on loan at any one time, and they will automatically return after 2 weeks. Students can return books early in order to borrow a new book.

The eBooks can be read on a computer, laptop, or through the free App on your tablets, iPads, Chromebook or smartphones.

Reading through your web browser on a laptop or computer

Boys can browse the collection or search for a specific book title, author or publisher and borrow the book they choose. It is then assigned to them for the 2-week period.

Reading through the App

To download the App, search "ePlatform" in the App store and download. Click on the app and you will then need to search for the library which will be **Royal Grammar School in High Wycombe** Once you start typing, it will bring up the school on the list.

Click the 3 little lines in the top left corner and select sign in. Boys can use their normal school username and password and if already logged in, can use the Single Sign On function. Using the App, the books will be temporarily downloaded to the device so boys will not need internet connections once the book has been loaned to them to read, great for travelling abroad!

Kind regards,
Mrs Payne
