

14/11/2018

Dear Parents,

Notice from the Art Department

I am pleased to announce we are now able to release the A Level and GCSE Art work from 2017-2018. Please come to the Art department to collect your work as soon as possible. If you would like to collect work at the end of the school day please contact one of the members of the Art Department to arrange a suitable day. Unfortunately, due to limited storage we are only able to keep the work until the end of the Autumn term. After this date all work stored will have to be disposed of.

Kind regards

Mrs Francis

Head of Art
