Dear Year 8 & 9 (and Parents for Information)

Please watch this YouTube link:

https://youtu.be/FUMMv_GauE0?si=RAliEGKbmIaYl_re

Bronze ArtsAward is back for the third year! Join us!

We will be guiding you through a creative, fun and structured course covering many aspects of the movie industry (one of the UK's leading industries). We will be:

- Going to Harry Potter World for a behind the scenes lesson followed by the full studio tour
- Learning how to draw characterful and expressive portraits
- Making clay heads and developing fun back stories
- Old-age stage make-up
- SFX injuries and creatures
- Prosthetics and teamwork

The course gives you a registered qualification and is co-curricular (so it involves work from school and at home). Each session starts with squash and biscuits.

https://youtu.be/R41-tYhKY9s?si=raf8K7y_m0mTgDfJ

Above is a link to a short video showing you how easy it is to follow the course and a great example of how to fill out your ArtsAward logbook.

Please e-mail me for more information or find me or Ms Francis directly.

Many thanks

Mr Bowen
