Dear Year 9 Parents

**Year 9 Academic Evening**

We're always looking for ways to support our students and wonderful parent community. As you know we work with **Action Your Potential** to support our students' mental health, learning progress and mind management. Our aim is to support every member of our community to become a #NeuroNinja in order to find out all about their amazing brain and enjoy and engage with life to the full. On **Thursday 28 September** Andrew and Darren from Action Your Potential are running workshops for all our Y9 students focused on the topic of **Building Future You: Managing Challenge and Change**.

Following on from the workshops for students we're excited to announce the Academic Evening webinar for Y9 parents on **Thursday 28 September at 19:00**. To sign up to the webinar [click here](#). As a member of our school community you already have access to the #NeuroNinja Learning Hub. You can sign [up to join here](#) if you haven't already done so.

Along with this event AYP are also running the following webinars this term:
