

10 September 2018

Dear Parents

**Presentation for Year 12 Parents on Study Skills
Tuesday, 25 September 2018**

I would like to invite you to a study skills presentation given by Elevate Education on Tuesday, 25 September at 7.30pm in the Queen's Hall.

On Thursday 20 September your son will see a presentation on study skills by Elevate Education in school. The presentation centres on the research into what the most successful students do to prepare themselves for success at A Level and beyond. Last year when your son was in Year 11, he attended a presentation by Elevate on revision for his GCSEs. The feedback that we received was 100 per cent positive and this is why we have booked Elevate again to present a seminar to Year 12 students. There will be a follow-up seminar for Year 12 later in the term and the focus will be on time management. I certainly hope Year 12 find this information helpful at the start of their Sixth Form career.

I believe it will be beneficial to you if you have an awareness of the information that will be given to your son so that you can encourage him in using the study tips at home. We have run these parent presentations in the past and parents have told us how helpful the information has been in supporting their son.

Your son is not required to attend the presentation with you as he will already have heard the seminar in school. It is a chance for you to listen and ask any questions you may have about study skills. I would thoroughly recommend your attendance at the evening, which will last no longer than one hour.

I very much look forward to seeing you there.

Yours faithfully

Mr S J Noyes

Director of Sixth Form
