Dear Parents

At this point in Year 7 we ask your son to consider his option choice for his second language in Year 8. He has had an assembly to go through the languages and the procedure. In Year 7 he has studied German, Spanish and Latin as part of his curriculum. In Year 8 he continues with **one** of German, Spanish or Latin or he may choose to do Classical Civilisation instead. A description of each subject is attached.

Due to constraints of set size and staffing, we cannot guarantee that each boy will be given his first choice. It is therefore vital that your son thinks carefully about his order of preference. If he genuinely does not mind which language he studies as his first choice, he should use the ordering **1,1,2,3** rather than 1,2,3,4.

If a subject is likely to be run as only one set and is oversubscribed, places will be allocated based on teacher assessment from the lessons and highest results of any tests. If a subject runs as two or more sets and is oversubscribed, places will be allocated at random. Boys who are unable to study their first choice will be allocated their second choice wherever possible. This process is the fairest available and allows the vast majority of boys to study their first choice.

Your son should return the slip below to his Form Tutor by **Monday 16 March 2020 09.00** at the latest.

Yours sincerely
Hilary Munday
Assistant Head
