Dear Parents/Guardians,

Y10 GCSE Maths Revision Resources

We would like to draw your attention to a Mathematics revision resource that you may wish to purchase for your son in the run up to his End of Year School Exams, as well as his Maths GCSE exams next year.

NEW CGP GCSE Maths AQA Revision Question Cards – Higher tier

These new Revision Question Cards consist of 95 cards which cover all key AQA Maths GCSE 9-4 topics. They will be ideal revision material and exam preparation for your son, with each card consisting of a variety of questions on each topic.

Orders for the Revision Cards at the reduced price of **£6.00** (RRP is £8.99) can be placed on ParentPay (see “Maths GCSE CGP Revision Question Cards”). The deadline for payment is **Friday 10th May** after which no further orders can be made. We would recommend this especially for Year 10 Pupils who will be preparing for the GCSE specification in their summer exams.

Yours faithfully

Mrs L M Woodbury
