London Enterprise Advisor Network

The Value of Work Experience

A challenge around the pandemic is ensuring our young people still get to experience the world of work in our currently virtual world

Delivered well online experiences and encounters can provide valuable opportunities for our students. Through active participation online young people can find out about industries that might not have been otherwise accessible. They help equip young people to make their own decisions around future pathways. They help to ensure these current cohorts of students do not get left behind due to the current restrictions
