

13/7/23

Dear Students and Parents

## **SENIOR SKI TRIP FEBRUARY 2024 – FOLGARIA FOR STUDENTS WHO WILL BE YEAR 10 AND ABOVE FROM SEPTEMBER 2023**

The Senior Ski Trip is now open on Parent Pay and we have a limited number of places still to fill. Skiing is a fantastic activity to learn and will offer students a lifetime of opportunity on the slopes. The Folgaria ski trip will enable students to learn in small groups of 8 or 9 students, which allows for rapid progression. On the last senior ski trip our beginner group was out tackling off-piste, a black run and even a snow park, all in their first week.

For those students who have skied before, I am very excited about our new destination. The hotel in Folgaria will be the highest quality accommodation I will have experienced on any ski trip. The hotel is recently refurbished with well-equipped rooms, an excellent restaurant rated five stars by previous school groups, and it offers a giant reception room we will use to host a variety of games and to watch videos of daily skiing highlights.

Back by popular demand is snowtubing (racing down an ice half pipe in an inflatable ring) which was a massive highlight from the last trip. This year we are also including Snowshoeing (night-time trekking under the stars) and a trip to the swimming pool in Folgaria.

The main attraction is of course the skiing. Students will ski for 5 hours each day and we have arranged for an extra instructor to keep the groups small and maximise fun on the slopes. Folgaria offers a wide range of on and off-piste challenges and two snow parks.

A letter [here](#) is on the school website. The deadline has now been extended and will be first come first served. If the places are full by the time you wish to make a deposit, please email to go on to the reserve list. If you have any questions please do get in touch.

Kind regards  
Mr Fossey
