We wanted to alert you to this year's House Music Competition, which will be taking place the week before half term. The competition will be in concert format, prepared and conducted by the students themselves, with each House presenting a short programme within the following framework.

Each House's programme must include the following items:

- 1 small ensemble item
- 1 large ensemble item

Houses will lose marks if they go over their 18-minute slot!

Friends of Music will kindly be providing refreshments throughout the evening. There is no charge for entry – so do make the most of this wonderful evening of talent and creativity and come and support!

We would like to register student interest as soon as possible, so that House Music Captains can start to organise groups. Please register your interest by filling out the form linked [here](#) before the deadline of **8:30 am on Monday 21 January**. All singers, and all instrumentalists of Grade 2 standard and above, are encouraged to respond. We will forward responses to the Captains, and students will be selected depending on the programme each House chooses. If you have any further questions, please email the Music Department (RGSmusic@rgshw.com).

Many thanks and regards,
Tim Vennell
Director of Music
