Dear Parents / Guardians,

“15Minutes” – Inter-House Drama Competition

The end of last term saw the launch of our new Inter-House Drama Competition. The six houses, were handed the challenge of producing their own piece – a scene from a published play, an adaptation or an original piece of writing – which could be no longer than 15 minutes. All produced, rehearsed and performed in less than 5 weeks.

Houses came up with a variety of entertaining and thought-provoking performances, ranging from a Shakespearian adaptation of Star Wars to an emotional delivery of poems from the trenches.

I’d like to personally thank all staff involved in the support and delivery of this event as well as acknowledge the incredible effort students put in.

Please do enjoy the results video along with highlights from each Houses performance [here](#).

Yours sincerely,

Dominic Clatworthy
Director of Co-Curricular Education
