

26/03/2024

Dear Parent/Guardian,

Wycombe Abbey Ball
17th May 2024

I am delighted to invite your son to join us for the Wycombe Abbey Summer Ball on 17th May 1900-2200 (TBC). There will be various activities organised by our hosts including air hockey and crazy golf, with light refreshments being served throughout the evening. The attire is lounge suits and the event is entirely **free**. Students will make their own way to and from Wycombe Abbey.

If you would like your son to attend, I ask that you please register your interest via the link below. Unfortunately, places are limited to 75 spaces which will be decided on a first come, first served basis. Please note that by signing up you are agreeing that your son will follow the school's normal behavioural standards; students are still representing RGS and must behave as they would on the school site. Places are likely to go fast, so please ensure you sign up asap [here](#).

I am looking forward to joining your son at this event. If you have any questions, please do not hesitate to contact me.

Yours sincerely,

James Chitham-Mosley
Head of Year 12
